

Drop By and Visit Our Museum Room

You are all invited to visit the Emilio B. Moure Museum while you are attending the State Convention. As in past years we will be bringing some of the treasures from the Museum-photographs, print materials and artifacts-as well as other items. A portion of our Salute to Veterans exhibit will also travel to San Diego. Don't miss the dogtags! You will also be able to view some of the items that belonged to Rev. Leo Matz, a dedicated Knight who served in the military during World War II, Korea and Vietnam.

In addition to these items we will also showcase our exhibit on the Special Olympics from its inception through World Games 2015 in Los Angeles. We have items used during the event, street banners from host city Downey, and even a torch that was used during the torch run. The photographs document many of the competitions as well as opening and closing ceremonies. This exhibit is not to be missed. We are also going to have a special section devoted to a collection being loaned to us just for the convention by Father John Grace.

As you can see our Museum Room at the State Convention will be a wonderful blend of old favorites from our collection and our current exhibition. It will have something for everyone as we hope all of you will take the time to visit us and learn a little more about the history of the Knights of Columbus in California.
