## Hop On Hop Off Trolley

Hop aboard a trolley and get the insiders view of Old Town San Diego. A shuttle will leave from the hotel twice this morning, at 8:30 AM and 9:30 AM respectively, and will take you to board a trolley where you will be able explore the landscape of San Diego, while having the ability to **"Hop On and Hop Off"** as often as you would like.

Create your own itinerary and see some of the most popular spots in San Diego and enjoy lunch at your leisure, as trolleys come to each stop approximately once every 30 minutes, allowing you to take in the sights and enjoy San Diego at your own pace. Stops are conveniently located close to all frequently visited attractions, shops and restaurants, including but not limited to, Old Town San Diego, Balboa Island, Seaport Village, Gaslamp Quarter, Coronado Bay, Little Italy and more. This trolley tour also features live commentary from an on-board guide during your ride. You can spend the entire day, or just the late morning and afternoon, as the shuttle will depart Old Town San Diego at 3 :15 PM and 5:15 PM respectively, to return you to the hotel.
