Judging

Judging should be done by teams composed of young people, Knights, teachers, administrators, students, substance abuse counselors and law enforcement officials. In keeping with the theme of giving young people the opportunity to develop their own solutions to the challenges they face, it's particularly important to involve young people in all phases of the judging process.

A 100-point scoring system will be used to determine the winners.

- 30 Points: Slogan-How clearly is the theme presented?
- 30 Points: Visuals- How well do the visuals convey the message?
- 40 Points: Overall Impact- How effective was the poster in capturing your attention and causing you to reflect on the topic?
