

Blessed Michael McGivney Statue Project Newsletter

January 2023 Issue No. 14

Happy Blessed New Year. May Our Lord and Savior, Jesus Christ, grant you health and peace during the new year.

Thank you to all that have donated bricks. Because of your generosity and dedication to our Founder, we were able to continue with the construction of the Blessed Michael McGivney Plaza and Walkway. We anticipate construction and installation of the statue to be completed prior to our State Convention being in May in Ontario.

On Thursday May 18th we will be offering tours from the Convention hotel to the Blessed Michael McGivney Statue, State Chapel and Museum. Due to limited space, tickets must be purchased in advance. For more information and tickets please refer to the Convention Pre-Con book on the State Council website www.californiaknights.org beginning January 8.

Those that have not had a chance to donate a brick, there is still time. There are a limited number of brick spaces available.

The website for ordering will remain open until all the space for bricks is filled. www.bricksrus.com/donorsite/McGivney

Please remember that the spaces available are limited and once filled the brick program will end.

Again, thank you for your support.

Order your bricks online today using either a credit card or check.

As always, your donations to the Museum are Tax Deductible.
