Worthy Brothers,

I hope that you are now in the thick of implementing our FIA Programs. Using programs as a tool to invite more brothers has worked in my own council, wherein we have met the annual membership quota as of end September. It does work effectively. Check out the Supreme website for all materials needed for the family programs. The links are also in the State Programs Handbook for easy reference. In this state website, different family chairmen will likewise publish more information and updates for your reference. Check on the website regularly and report your activities regularly thru Form 10784 for Supreme and STSP for State. All our contact information are in the handbook so let us know how we can help.

Jesus I Trust In You!
