MOTHER THERESA INSPIRING QUOTES ON FAMILY

“Whatever you do for your family, you do for God.”

“Bring love into your homes, for this is where our love for each other must start.”

“The problem with our world is that we draw the circle of family too small.”

“The way you help heal the world is that you start with your own family.”

“The family that prays together, stays together, and if they stay together, they will love one another as God has loved each one of them.”

“...together we can do great things.”
