

Worthy Brothers,

Each Council should plan and host one or more Faith in Action activities every single month. Your Council may continue to host dinners and breakfasts to build community and to raise funds. However, be sure to Plan One activity from Faith, Family, Community, or Life each month to show your parish that the Knights are men of Faith and men of action. When you plan your Faith in Action activity, be sure to Assign One of your best recruiters to be present and to have no other responsibility other than to seek out non-Knights to invite them to join the Order. Finally, your recruiter should Invite One after another of the men and families that participate in the activity to take a step toward joining the Council by completing the Online Membership application. Your recruiter's goal is to collect contacts, and keep inviting until he finds one prospect who is ready to join online. Imagine if your council did it every month, you could bring in one new member per month. Better yet, assign two recruiters to seek new members at each event. If both of these men attained his goal your Council would bring in two new Brothers each month. Ask each recruiter to open the **Become A Member Page** on his cell phone browser and save the page to his favorites or his bookmarks. ·Easier to use QR code.

English [Join Us | Knights of Columbus](#)

Spanish [Únete a los caballeros | Caballeros de Colón](#)

The key is one Faith in Action activity (or more) each month with recruiter(s) at these events.

Reminder: Hold council Church Drive in the month of March in honor of the founding of the Knights of Columbus.
