

State Membership Director Message

My Worthy Brothers, as your new State Membership Director, I want to welcome each and every one of you as an important member of the State Membership Team. Everyone has the ability *and responsibility* to help build our order, and I want everyone on the field, asking your fellow Catholic gentleman if they have considered becoming a part of the greatest Catholic Men's Family and Fraternal Service Organization there ever will be. You will hear my larger message soon, but I equate membership to a winning baseball team, with every player doing its part to put men across the plate and into our order. I need each and every one of you working on the fundamentals- recruiting, in the proper uniform- wearing your council badges, stepping up to the plate and asking men to join whenever you have the chance.

Our goals are 100 new members a week, reactivating dormant or suspended councils, creating new ones where parishes are underserved, and growing some Hispanic councils or round tables. My management team consists of Assistant Membership Chairmen in each of the chapters who will assist you in your efforts.

So let's get out there, have a great season this Columbian year, and make our founder proud- Blessed Michael McGivney, the G.O.A.T. when it comes to membership!
