Clay Shoot For Inclusion

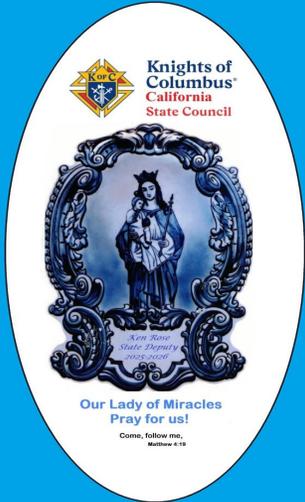

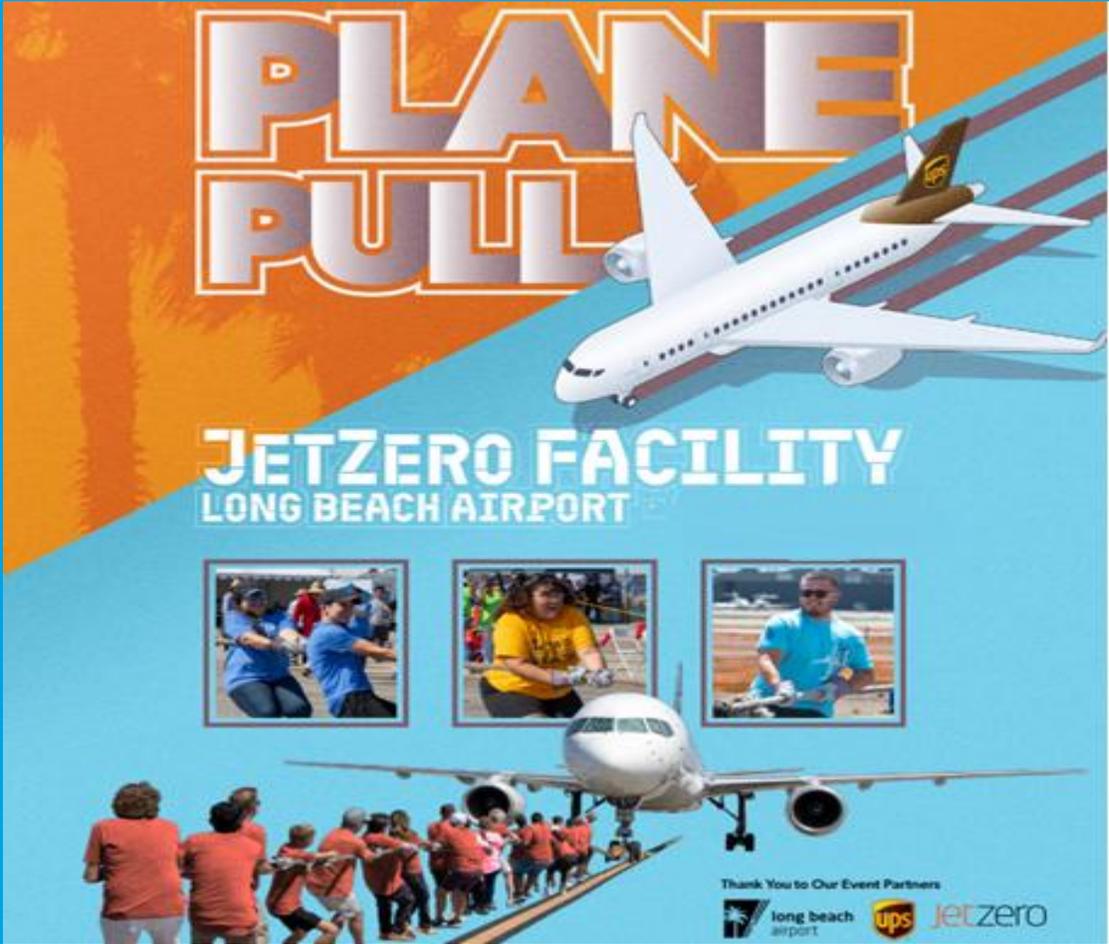

When we think about “Inclusion” we are referring to inclusion for those individuals with intellectual disabilities (our Special Olympics Athletes). In many communities world-wide, people with intellectual disabilities are excluded or cast out of society.

Special Olympics refers to this as the “Inclusion Revolution” or “Choose To Include”. We choose to include our Special Olympics Athletes in all that we do. We are proud to be a part of the “Inclusion Revolution” and that is why we “Clay Shoot For Inclusion”.
