

Growing Together – A Message from State Membership Director

Worthy Brothers,

I hope this message finds you well and thriving. As we move into a new month, I want to take a moment to thank you for being such an integral part of our noble undertaking. Your participation, ideas, and enthusiasm are what make our organization vibrant and forward-moving.

Over the past four weeks, we've welcomed 245 new members into our State Council—please join me in giving them a warm welcome! I encourage you to connect, share your experiences, your story, and help them feel at home. When you share your story, you're not just speaking — you're inspiring someone else to believe they can make a difference too.

Think about the last time you joined something that changed your life — maybe it was this very organization. Someone reached out to you. Someone believed you belonged here.

Now, it's your turn to be that someone.

Here's my challenge to you:

- **Each One Bring One New Member in 30 Days** – Reach out to a colleague, a friend, a family member, a neighbor. Invite them to a meeting, share your story, and show them why this community matters. To say **"Thank You"**, we have exciting Incentive Programs for ALL deserving members who bring in new members (see flyer posted on our State website for details).
- **Engage the Inactive** – Call a member you haven't seen in months. Remind them they're valued. Let's invite them back into our fold.
- **Be Visible** – Wear your badge, share our events on social media, and speak about our mission with pride.

I know what some of you might be thinking:

- **"I'm too busy."** — So is everyone else. But if it matters, we make time.
- **"I'm not good at recruiting."** — You don't need to sell; you just need to share your story, your passion.
- **"I don't know who to ask."** — Look around your workplace, your community, your social circles. The world is full of people looking for purpose. Just ask....and **INVITE**.

Our mission is too important, and the need is too great, for any of us to stand on the sideline. We need to act together, because together, we are **UNSTOPPABLE**.

Imagine this: a year from now, we look back and see that we've accomplished our mission of bringing the great honor to our State, an honor that has never been achieved – the **PINNACLE**. This is our TIME. And when someone asks, “*How did you do it?*” we will be able to say, “*We did it together.*”

But here's the truth — that vision will remain just a dream unless we decide, right here and right now, to make it happen.

So today, I'm inviting you—no, I'm challenging you—to take that step. If you're already a member, lean in deeper. Get involved. Share your voice. If you're not yet a member, JOIN US. Bring your passion, your ideas, your energy.

Because when we stand together, we rise together. And when we rise together, there is no limit to what we can achieve.

So, let's keep showing up. Let's keep building. Let's keep believing in the power of US.

Thank you.

Vivat Jesus!
