

A message from State Membership Director.... Let's keep September STRONG.

Worthy Brothers, thank you for being the heartbeat of our organization. Your dedication, ideas, and enthusiasm are what keep our mission alive and thriving. As we welcome SEPTEMBER, let's continue to inspire one another, welcome new faces with open arms, and celebrate every milestone—big or small. This month, I encourage you to conduct membership drive every week, take part in all upcoming events of your councils and parishes, share your story, and connect with people and invite them to join us. Every interaction you make strengthens our resolve to fulfil our great mission. *Here's to a month filled with growth, connection, and shared success!*

This month, let's challenge ourselves to reach higher, think bigger, and support one another more than ever before. Our shared vision is not just about numbers or milestones—it's about creating a space where every member feels seen, valued, and inspired to contribute. Let's turn our ideas into action, our plans into progress, and our dreams into reality. SEPTEMBER is our chance to set the tone for the rest of the year—let's make it count. This is the perfect time to revisit our goals, explore new opportunities, and engage with one another in meaningful ways. Let's bring our best selves forward and make this month a shining example of what we can achieve together. Let's start September strong.

Our mission is not just a statement — it's the compass that guides every decision we make. Every member, every program, every partnership is aligned with our core objectives: to empower communities, foster inclusion, and create lasting impact. By staying focused on these goals, we turn vision into action, and action into transformation. Let's keep our eyes on the mission, our hands on the work, and our hearts on the people we serve — because together, we are building a future where our main objective to achieve PINNACLE of HONOR becomes a reality.

In the meantime, I'm happy to announce that the Supreme Council has offered ADDITIONAL membership incentive programs for Councils and Individuals. All councils who reach their

membership quota and participate in FOOD FOR FAMILY program by November 30, 2026 will receive eight (8) custom embroidered KofC Aprons and eight (8) hats. They will also earn a chance to win an additional \$200 worth of gift card.

Also, Supreme is relaunching the GO FOR 2 incentives. Any member who brings in TWO MEN to join between September 1 and December 31, 2026 will be entered into a drawing for a chance to win \$1,500 cash. There will be 10 second place winners who get customized KofC branded items. More members you bring, the more chances of winning.

Now, here is my challenge to all of you;

- Think of one person that hasn't found our doors yet. Invite them. Bring them to our fold.
- Let us stop waiting for people to find us. Let us go out and find them.

Together, let's make our brotherhood stronger, more connected, and more impactful than ever before. Let's go PINNACLE!

Thank you.

Vivat Jesus!
