

Global Wheelchair Mission

Greetings Brothers.

I would like to briefly review with you all the many ways that you can help with raising money to fund Wheelchairs to be sent to the poorest of the poor.

- 1- Wheelchair Sunday with video (done by myself with help from local Council).
- 2- Texas style Wheelchair Sunday Done by local Council (2 consecutive weekends no video).
- 3- Council does fundraise event ie: Pancake Breakfast, golf tournament etc. and proceeds are sent to the American Wheelchair Mission.
- 4- Council has line item in their yearly Budget for Wheelchairs.

Options 1 and 2 explained step by step.

Option 1

First- the local Council GK gets approval from the Pastor to even have a wheelchair Sunday.

Second- I then send the GK the Wheelchair Sunday checklist to be completed by the GK (or the person designated by the GK) along with the Pastor.

Third- The completed form is then sent to me for review; I will then decide based on the answers how

we move forward the answers will determine whether I come or it's a Texas style WCS.

Fourth- If I will be coming then I will send Bulletin announcements to be inserted in the Church Bulletin starting 6 weeks before the actual date of the WCS.

Option number 2 Texas style WCS.

Two Consecutive weekends.

First weekend local Council makes a presentation about

minutes (script can be provided) and takes donations after mass. Parishioners are informed that they can take envelopes home and mail them in or returned the next weekend.

Second weekend no long presentation, at the normal mass announcements the parishioners are informed that "the knights are outside still collecting for Wheelchairs".

Options 3 & 4 are self-explanatory.
