

Membership Director' Message – Turning the October Momentum into the Biggest Milestone

October is officially here, and it brings one of the most critical windows of the year for our jurisdiction. With the final quarter of the calendar year underway, this month is our golden opportunity to build the momentum that will carry our mission through the winter and determine the scale of the impact we can make next half of our fraternal year.

This quarter, we've successfully invited over 1000 new members to our State jurisdiction with our dedication—an achievement made possible by your hard work and commitment. I want to take a moment to thank each of you for your continued support. Our membership isn't just a number—it's the heartbeat of our mission. Because of you, we've been able to expand our outreach, welcome new brothers, and make a tangible difference in the lives we serve.

Because of your unwavering commitment, we touched so many lives and achieved incredible milestones. But our ultimate mission and objective don't pause, and right now, we need us to show up stronger and committed than ever before to make our goal a reality.

As Membership Director, I see firsthand the energy everyone brings to this organization every day. This **October**, I am asking everyone – **Chapter Presidents, District Deputies, Grand Knights and all our members** – to dig a little deeper, reach out a little further, and exert that extra bit of effort. Let's make this our month of action and set our focus on the following goals:

- **Expand and Engage** – let's actively engage new prospects and invite them into our order. Every conversation you make is a chance to share our "why" and invite.
- **Strengthen Our Connections** – reach out to our existing members. Listen to their stories, thank them for their commitment, and remind them that their tireless support is the backbone of our order.
- **Drive Urgent Outreach** – let's use this month to set the stage for our year-end giving and advocacy goals. Encourage councils to conduct membership drive every week. What we accomplish in the next four weeks will define our success this quarter and beyond.

I know that our mission this year - the **Pinnacle of Honor** - demands a lot of heart, and it is entirely natural to feel the weight of the upcoming busy season. Let's match our hard work with an unshakeable enthusiasm for the transformation and legacy we are all creating together.

As we move toward the end of the year, I encourage everyone to stay focused and engaged, share ideas, and continue to invite friends to join our growing family. **Together**, we can make this season one of warmth, generosity, and lasting impact. Let's make this **October** a month we will look back on with immense **PRIDE**.

Thank you.

Vivat Jesus!

Felimon "Polly" Camana
State Membership Director
