KNOW BEFORE YOU GO

What to bring

Your pro-life signs, water, comfortable walking shoes, and sunscreen or rain gear. The march happens rain or shine!

Signs

Homemade signs and signs on sticks are welcome, and there is no official limit on sign size. The California Highway Patrol and California Family Council may restrict any sign or item for safety or content.

Children

Please bring them! The march is family friendly. Strollers and wagons are welcome on the march route. Please keep children with you at all times.

Accessibility

The rally area in front of the West Steps is flat, and you can roll right up from the curb ramps.

Restrooms

Portable restrooms will be along 10th Street near Capitol Mall.

Parking

Capitol Garage at 10th and L Streets is closest. The 1000 K Street Garage and SP+ Parking at the Hyatt Regency, 1209 L Street, are good second options. Street parking is metered by the hour. Arrive early, because downtown fills up on session days.

Hotel

Our room block is at the Hyatt Regency Sacramento, 1209 L Street, a short walk from the Capitol: \$199 a night plus tax, first come, first served. Book by February 15, 2027, online or by calling (916) 443-1234 with group code G-CFC7.

Buses and groups

Bringing a bus, a van, or ten or more people? Register your group online, and we will email bus parking and drop-off details closer to the event.

Why a Monday?

On purpose! The Legislature is in session, so lawmakers and their staff are in the building. They will see and hear thousands of Californians standing for life.

Lobby after the march

Sign up on the March and Lobby page. You will receive a short training video, the bills we are lobbying, and your lobby group details before March 8. No experience needed!

Counter-protesters

Please do not engage. Counter-protesters will not be allowed on the Capitol grounds, which California Family Council has reserved for the day. The Sacramento Police Department and the California Highway Patrol provide security.

Watch online

Can't come? On March 8 we will post the livestream link on CaliforniaFamily.org/MarchForLife.
