December 2026

Northern California

Relics of The Mexican Martyrs

The Faith That Endured. One Final Tour Before 2028.

San Luis Batis Sáinz – San Rodrigo Aguilar Alemán – San Miguel de la Mora de la Mora – San Pedro de Jesús Maldonado Lucero – San José María Robles Hurtado – San Mateo Correa Magallanes

Millions have heard the story of the Cristeros.

Few will ever stand in the presence of the very relics connected to the men who gave everything rather than deny Jesus Christ.

These holy relics have traveled hundreds of miles to bring this unique opportunity to *Northern California*.

Bring your children.

Bring your parents.

Bring your prayers.

Bring your burdens.

Once they depart, they will not return until 2028.
